

JTLB 30 G

Load capacity: 30 t

Height: 180 mm

Art.-Nr. 12 302 140-V2

Advantages of tandem trolleys

- Big castors provide optimal rolling characteristics on uneven surfaces and rough pavements.
- Safely overcomes small ledges, cracks in the concrete and countersunk rail tracks.
- Multi-purpose use: also usable as two single trolleys, each with half of the combined load capacity. No additional accessories needed.
- Custom solutions available.
- Tandem transport trolley in other lengths available on request.
