

## JUWathan® plus series G

Load capacity: 1,25 t

Art.-Nr. 95 050 047-V

### Advantages of the JUWathan® castor design

- JUWathan® plus castor design: Based on the JUWathan® castor, the JUWathan®-plus castor has an improved coating material and a more advanced construction. An aluminum core replaces the steel core for easier handling at the same strength. A polyurethane based coating material is bonded around the aluminum core. This construction reduces the rolling resistance and weight by nearly 30 percent.
- We grant 5 years of warranty on operability of our wheels except improper use or normal abrasion.

## Technical data

Title	Unit	Data
Load capacity	kg	1250
Outside diameter	mm	140
Inside diameter	mm	35
Fitting length	mm	59
Weight	kg	1,85
