

JUWathan® plus series K

Load capacity: 0,75 t

Art.-Nr. 95 050 057-V

Advantages of the JUWathan® castor design

- Based on the JUWathan® castor, the JUWathan®-plus castor has an improved coating material and a more advanced construction. An aluminum core replaces the steel core for easier handling at the same strength. A polyurethane based coating material is bonded around the aluminum core. This construction reduces the rolling resistance and weight by nearly 30 percent.
- We grant 5 years of warranty on operability of our wheels except improper use or normal abrasion.

Technical data

Title	Unit	Data
Load capacity	kg	750
Outside diameter	mm	85
Inside diameter	mm	25
Fitting length	mm	85
Weight	kg	0,85
