

# Castor JUWAmid series K

**Product number** 95 050 023-P

**Weight** 0.55kg

## Product description

Advantages of the JUWAmid castor design

- Two precision ball bearings are pressed into a high quality polyamid coating.
- For level and clean floors.

Typical fields of application include manufacturing, logistics and assembly areas where reliable movement of loads is required. Thanks to its robust construction and precision ball bearings, the JUWAmid series K castor supports smooth operation and a long service life under daily operating conditions.

## Product properties

**Weight (kg)** 0,55

**Inside diameter (mm)** 25

**Outside diameter (mm)** 85

**Fitting length (mm)** 85

**Load capacity (kg)** 750
