

# Castor JUWAthan® plus series K professional

High-quality JUWAthan® plus Series K Professional wheel.  
Increased load capacity and exceptional maneuverability.

**Product number** 95 050 089-D

**Weight** 1.05kg

## Product description

Advantages of the JUWAthan® castor design

- The coating is molded around a steel core. Two precision ball bearings are pressed into the steel core.
- JUWAthan® plus castor design: Based on the JUWAthan® castor, the JUWAthan®-plus castor has an improved coating material and a more advanced construction. An aluminum core replaces the steel core for easier handling at the same strength. A polyurethane based coating material is bonded around the aluminum core. This construction reduces the rolling resistance and weight by nearly 30 percent.
- We grant 5 years of warranty on operability of our wheels except improper use or normal abrasion.

## Product properties

**Inside diameter (mm)** 25

**Outside diameter (mm)** 85

**Fitting length (mm)** 85

**Load capacity (kg)** 875

**Weight (kg)** 1,05
