Product description

Advantages of the transport trolleys JLB 40 H

- Unrivalled: Small and lightweight trolleys at super high capacity.
- Steerable transport trolleys with pivoting cassettes for a better load distribution at all castors and the floor.
- All transport trolleys are ready for use.
- The steerable transport trolley is fitted with a ball bearing supported turntable and a handlebar.
- Also available as Professional version with JUWathan twin castors: the double castor design results in dramatically easier steering due to reduced friction forces in curves.
